1. Friday.....Doubles (A, B, W)
2. Saturday ....Coed 6s (A, B)
3. Sunday .....Women's 6s, Men's 6s (A, B)

#### 11.05.02 Ratings:

Men shall classify themselves as A or B, according to their hitting strength relative to the field of players. The Volleyball Tournament Director may re-classify any player with concurrence from the tournament committee. Men may only participate in one division per format. (For example, a man may play Doubles A and Coed 6s B but may not play on both a Coed 6s A Team and a Coed 6s B Team).

#### 11.05.03 Rosters:

A team must submit a roster of players to the Volleyball Tournament Director. The roster may have up to 12 players. Women may appear on multiple rosters but not within the same division.

(For example, the same woman may play on a Coed 6s A team and a Coed 6s B team but may not play on two teams within the Coed 6s A division.) Women may play on Men's teams, but men may not play on Women's teams.

## AMERICAN ASSOCIATION FOR NUDE RECREATION, WESTERN REGION, INC. GUIDELINES FOR HOSTING A BOARD MEETING

Unlike Conventions and Festivals, a Board meeting should not be considered a money-making event. It is, however, an excellent way to contribute to the operation of the Region, to spotlight your club, and to give your members an opportunity to observe AANR-West in action. Since the purpose is strictly for business, any member of AANR-West who wishes to attend should be admitted without charge [unless, of course, they plan to use the club facilities after the Board Meeting]. No specific entertainment or activity, besides the Board Meeting, needs to be planned, as many officials will attend only for the meeting.

### **The club should provide the following supplies:**

1. Complete information and directions to the club for all officials at least a month in advance. This information should include lunch menu and cost, accommodations available and the cost, and any special club activities in which the Board is invited to participate. It is advisable to include with this mailing a request for any reservations you wish. The AANR-West Secretary can provide mailing and/or mailing labels for you.
2. An area with sufficient space to seat 15 people at tables and 20 people in chairs. There should be a side table for extra reports. Shade should be provided if the meeting area is outside, with contingency plans for inclement weather.
3. Access to electricity for AANR-West's PA/Recorder system.
4. Access to a copy machine [AANR-West may be billed for copies made].
5. Access to a telephone [AANR-West may be billed for calls made].
6. Drinking water and cups.

### **The club may want to provide the following amenities:**

1. Transportation for officials to or from the local airport.
2. Coffee, juice and doughnuts, Danish or muffins for the meeting.
3. Pens, pencils, paper or brochures advertising your club.

### **The club may want to provide the following to be paid for by each individual official:**

1. Overnight accommodations and meals.
2. Lunch during the meeting [either catered or from the regular restaurant menu].
3. Specialty drinks, such as sodas, wine and/or beer.

A BIOGRAPHY OF PEGGI PICKETT

MARGARET A. "PEGGI" PICKETT

The Peggi Pickett Award for AANR-West Woman of the Year was established in 1983, the year that Peggi retired from active duty in the WSA — Western Sunbathing Association, the former name of AANR-West. She had served more consecutive years in the organization than anyone else in its history.

She began in 1965 as Recording Secretary, where her name was recorded as "Peggy Pitt." In 1966, she again served in that office but allowed her real name of Margaret A. Pickett to be used. She continued in the same office through 1973, using the same name.

In addition to her duties in the WSA West, she served as the Treasurer of the ASA (American Sunbathing Association) from 1967 until 1972, doing both tasks simultaneously. This is now not permitted by the AANR By-laws but it was apparently acceptable at that time to overwork one capable, congenial person!

In 1974, Peggi took over the job of Secretary/Treasurer for the WSA. This was back in the days preceding home computers and every membership record of the WSA had to be hand filed into tiny 3" x 5" drawers. Those records were never better kept than when Peggi did them.

In 1982, Peggi decided that she had done her share for the organization. She announced that she would resign following the 1983 Convention. At the 1983 Convention, she was honored by eight former WSA Presidents, as many former Vice Presidents, and former Directors too numerous to count. Their words were immortalized in a scrapbook which was given to Peggi and their financial contributions were used to purchase a handmade quilt with the WSA logo and the words, "Peggi Pickett 1965-1983," appliqued on it. The unused funds were deposited in a special WSA bank account to sponsor the Woman of the Year Award.

It is appropriate that this award be named in Peggi's honor, for she personally funded that award for many years, in addition to contributing her time and effort to see that the WSA remained a viable organization. Peggi will not be forgotten as long as we, the membership of AANR-West, remember the kind person that we honor as the sponsor of the Peggi Pickett Award.

AMERICAN ASSOCIATION FOR NUDE RECREATION, WESTERN REGION, INC.  
A BIOGRAPHY OF BILL HAWK

WILLIAM "BILL" HAWK

The Bill Hawk Award is given annually to honor Bill Hawk's contributions to WSA sports programs. The award shall be given to a person — or persons — who exhibits extraordinary sportsmanship or leadership abilities during the year preceding the annual AANR-West Convention sports competitions (criteria for award shall appear in AANR-West Procedure Manual, § 10.05.00).

Bill Hawk became a nudist in 1954 and, through the years, was a member of a number of California nudist clubs. He was active in club and WSA leadership, having served on the SWALLOWS SUN ISLAND Council in a number of capacities, including President and Sports Chair; and as a WSA Board Member and Convention and Facilities and Sports Chairs.

In the 1960s, Bill organized and trained the only nudist AAU swim team in the country. Although the team was among the smallest in the league in which it competed, the swimmers all took first and second place consistently. The kids' only gripe: they had to put on clothes to compete. Bill willingly taught anyone to swim who truly wanted to learn. Through the years he taught people of all ages to swim, from babes in diapers to middle-aged.

Bill was first appointed WSA Sports Chair in July 1981 and served in that capacity continuously until his death in July 1990. Possibly his most important contribution was organizing a meeting in 1984 of the volleyball players at which new volleyball rules were hammered out word-by-word. The meeting was so successful and the rules so well-written that they have required only minor changes since. The ASA also adopted these rules with only minor changes to fit their requirements.

Bill was respected by all the sports people who knew him. Under his guidance the WSA sports program was successful and fairly administered. This award is an attempt to maintain that rapport by honoring an outstanding sports person.

AMERICAN ASSOCIATION FOR NUDE RECREATION, WESTERN REGION, INC.  
A BIOGRAPHY OF BOB PAGE

ROBERT "BOB" PAGE

The Legal Fund of the AANR-West was named in honor of Bob Page shortly after his death in 2001. In addition, a special award, the Bob Page Memorial Award for Nudist Advocacy, was established to honor individuals who exhibit the qualities for which Bob was well known.

Bob began his tenure as an official of the WSA in 1973 when he was elected as a director. He did not serve long in this capacity, as the Board elected him Vice President to fill a vacancy in February 1974. In August 1977, he was elected President. In 1979, he was elected ASA/WSA Trustee; however, he only served a short time in this position. In early 1980, upon the resignation of Sol Stern, Bob became the legal counsel to both ASA and WSA. His wife Elizabeth served the remainder of his term as Trustee.

One of his first tasks as the official counsel was to defend the WSA against a lawsuit brought about by some photographs of WSA children that appeared in a naturist magazine in Europe. He won the case and repeatedly used the verdict as justification for further advice: We, as nudists, have the right to protect our association, our clubs and our members and to enforce the rules by which we operate.

Bob and his wife Elizabeth belonged to several WSA clubs, including Mountain Air Ranch, Arizona Wildflowers, Rocky Mountain Bares, and Rocky Mountain Naturists during their affiliation with WSA. Even as Bob assumed a greater role in the growth of ASA, his heart remained in the West. He had worked as US Park Ranger in several western venues and always maintained a strong feeling about First Amendment Rights.

Over the years, Bob produced numerous legal documents to support the right to nude recreation, including an *amicus curiae* brief that was read in the Supreme Court of the US. In addition to serving as legal counsel for WSA and ASA [which became AANR], he was asked to serve the same for the Florida Region. His expertise was recognized across the United States.

On a personal level, Bob was involved in a number of venues. He operated a small law practice out of Denver, Colorado. He was a gourmet cook and a talented artist. He was active in the Association of First Amendment Lawyers. He took up the cause of the common man.

Mild mannered and subtle, he was always on the ready to protect that in which he believed. He has undoubtedly made a significant difference in our way of life in the numerous years that he gave his devoted attention to our association. He continued to serve as WSA legal counsel until the day of his death. It is fitting that we honor him both by naming the legal fund in his behalf and with an award that reflects his many contributions.

AMERICAN ASSOCIATION FOR NUDE RECREATION, WESTERN REGION, INC.  
A BIOGRAPHY OF PETER WOLFE

PETER WOLFE

One of the AANR-West Scholarships was named for Pete Wolfe shortly following his death from ALS in 2001.

Pete was not a native of the West, having been born and raised in the Midwest, but he moved his family to Los Alamos, New Mexico, in 1975 where he was employed as a physicist at the Los Alamos National Laboratory. He was active in the community and an avid nudist.

When Yucca Naturists of New Mexico lost the lease on their property in 1984, Pete and his wife Marge were instrumental in cofounding the Los Alamos Roadrunners. The Yucca Naturists became a travel club, changed their name to Enchantment Naturists in 1986 and then disbanded to merge with the Roadrunners in 1987. Now called Roadrunner Naturists, it became, at that moment, the only nudist club in New Mexico. At Pete's death, it remained a viable club, thanks, in great measure, to Pete himself.

In addition to supporting their own club, Pete and Marge traveled to other clubs throughout the Southwest. It was during this time that Pete was asked to serve on the WSA Scholarship Committee for several years. Dedicated to kids and to the ideals of higher education, Pete performed this task with enthusiasm. The entire nudist community is better for having enjoyed the company of Peter Wolfe.

**2. Administration:**

**2.1. Responsibilities of the Administrator:**

The organization’s Vice President shall be the administrator (“Administrator”) in charge of the administration of this Policy. The Administrator’s responsibilities shall include supervising and coordinating the retention and destruction of documents pursuant to this Policy and particularly the Document Retention Schedule included below. The Administrator shall also be responsible for documenting the actions taken to maintain and/or destroy organization documents and retaining such documentation. The Administrator may also modify the Document Retention Schedule from time to time as necessary to comply with law and/or to include additional or revised document categories as may be appropriate to reflect organizational policies and procedures. The Administrator is also authorized to periodically review this Policy and Policy compliance with legal counsel and to report to the Board of Directors as to compliance. The Administrator may also appoint one or more assistants to assist in carrying out the Administrator’s responsibilities, with the Administrator, however, retaining ultimate responsibility for administration of this Policy.

**2.2. Responsibilities of Constituencies:**

This Policy also relates to the responsibilities of Board Members, staff, volunteers and outsiders with respect to maintaining and documenting the storage and destruction of the organization’s documents. The Administrator shall report to the Board of Directors (the Board Members acting as a body), which maintains the ultimate direction of management. The organization’s staff shall be familiar with this Policy, shall act in accordance therewith, and shall assist the Administrator, as requested, in implementing it. The responsibility of volunteers with respect to this Policy shall be to produce specifically identified documents upon request of management if the volunteer still retains such documents. In that regard, after each project in which a volunteer has been involved, or each term which the volunteer has served, it shall be the responsibility of the Administrator to confirm whatever types of documents the volunteer retained and to request any such documents which the Administrator feels will be necessary for retention by the organization (not by the volunteer). Outsiders may include vendors or other service providers. Depending upon the sensitivity of the documents involved with the particular outsider relationship, the organization, through the Administrator, shall share this Policy with the outsider, requesting compliance. In particular instances, the Administrator may require that the contract with the outsider specify the particular responsibilities of the outsider with respect to this Policy.

3. **Suspension of Document Destruction — Compliance:**

The organization becomes subject to a duty to preserve (or halt the destruction of) documents once litigation, an audit or a government investigation is reasonably anticipated. Further, federal law imposes criminal liability (with fines and/or imprisonment for not more than 20 years) upon whomever, “Knowingly alters, destroys, mutilates, conceals, covers up, falsifies, or makes a false entry in any record, document, or tangible object with the intent to impede, obstruct, or influence the investigation or proper administration of any matter within the jurisdiction of any department or agency of the United States ... or in relation to or contemplation of any such matter or case.” Therefore, if the Administrator becomes aware that litigation, a governmental audit or a government investigation has been instituted, or is reasonably anticipated or contemplated, the Administrator shall immediately order a halt to all document destruction under this Policy, communicating the order to all affected constituencies in writing. The Administrator may thereafter amend or rescind the order only after conferring with legal counsel. If any Board Member or staff member becomes aware that litigation, a governmental audit or a government investigation has been instituted, or is reasonably anticipated or contemplated, with respect to the organization, and they are not sure whether the Administrator is aware of it, they shall make the Administrator aware of it. Failure to comply with this Policy, including, particularly, disobeying any destruction halt order, could result in possible civil or criminal sanctions.

4. **Electronic Documents — Document Integrity:**

Documents in electronic format shall be maintained just as hard copy or paper documents are, in accordance with the Document Retention Schedule. Due to the fact that the integrity of electronic documents, whether with respect to the ease of alteration or deletion, or otherwise, may come into question, the Administrator shall attempt to establish standards for document integrity, including guidelines for handling electronic files, backup procedures, archiving of documents, and regular checkups of the reliability of the system; provided, that such standards shall only be implemented to the extent that they are reasonably attainable considering the resources and other priorities of the organization.

5. **Privacy:**

It shall be the responsibility of the Administrator, after consultation with counsel, to determine how privacy laws will apply to the organization’s documents from and with respect to employees and other constituencies; to establish reasonable procedures for compliance with such privacy laws; and to allow for their audit and review on a regular basis.

6. **Emergency Planning:**

Documents shall be stored in a safe and accessible manner. Documents which are necessary for the continued operation of the organization in the case of an emergency shall be regularly duplicated or backed up and maintained in an off-site location. The Administrator shall develop reasonable procedures for document retention in the case of an emergency.
